

Thanks for your help on the
case. You've shown me
How good you were at being
a lawyer.

You choose the right Profession
In my opinion

Michael 

...for being so gracious to us. We
were so very fortunate to have you
for Michael's lawyer. You will
always be a gift in our lives.

You certainly went
above and beyond to help
both Michael and us!
It was a tough seven
months, but you made
the journey a lot less
stressful. God bless you
and the many people you
help throughout the year!
